KVITFJELL'S SNOW GUARANTEE 2011/2012

The skiing season at Kvitfjell will run from 29th October through to 29th April. Our snow guarantee ensures you need not worry about snow conditions when you head for the mountains. If the slopes and lifts are not open on the day of your intended visit within the guarantee period to Kvitfjell, you may cancel your booking with any of the companies covered by the guarantee free of charge. We plan to open the first lift on 29th October (open every day) and more slopes and lifts will follow as soon as conditions permit.

Snow guarantee:

- We plan to open the first lift at Kvitfjell on 29th October. We guarantee that 2 lifts with 3 km of slopes will be open from 12th November.
- Both sides of the mountain will be open from 3rd December with 2 chairlifts, 2 lifts and 8 km of trails available.
- From 25th December to 9th April (Easter Monday), 6 lifts including 3 chairlifts and 15 km of trails will be open.

For more details of our snow guarantee visit www.kvitfjell.no

10 RULES for alpine skiers og snowboarders:

- RESPONSIBLE FOR AVOIDING INJURY:**
You must conduct yourself in such a way as to avoid injury to yourself and others.
- ADJUST YOUR SPEED ACCORDING TO THE CONDITIONS:**
All skiing/boarding must be controlled and speed should be adjusted to suit ability, terrain, snow conditions and traffic.
- RIGHT OF WAY:**
If you are coming from behind (from above) it is your responsibility to avoid collision.
- OVERTAKING / DOWNHILL SKIING:**
All downhill skiing is prohibited unless during organised training sessions. Adequate room to allow for controlled and uncontrolled movements must be given when overtaking other skiers / snowboarders.
- STARTING, ENTERING OR SWINGING UPWARDS INTO A TRAIL:**
Care must be taken when entering or swinging upwards into a trail to ensure that this is done without endangering yourself or others. The same applies when restarting after a stop.
- STOPPING ON A TRAIL:**
Stopping or resting in narrow sections or areas with poor visibility is not permitted.
- WALKING ON THE TRAILS:**
The outer edges of the slopes must be used when walking.
- SKI BRAKES / LEASHES:**
Ski brakes and snowboard leashes are obligatory. Ensure your bindings are correctly adjusted.
- RESPECT ALL SIGNS:**
Observe all signs, markings and instructions.
- ASSIST AT ACCIDENTS:**
All persons are obligated to help injured parties. Witnesses and those involved are required to provide their personal details.

Alpine skiing is associated with a certain danger. Intoxicating substances and skiing do not mix. Breach of the traffic rules may result in expulsion from the centre.

KVITFJELL SKI RESORT

Snowy Kvitfjell in the Gudbrandsdal Valley is situated 45 minutes north of Lillehammer. Hotels, lodges, apartments, eateries, equipment rental and alpine slopes can be found on either side of the mountain. Kvitfjell is a paradise for skiing enthusiasts, regardless of level or ability. You will find peace and quiet and an abundance of freshly prepared trails where you can perfect your skiing away from queues and crowds of other tourists. We have snow from early November to late April. A total of 29 km of alpine trails, an 854 m vertical drop and everything from innocent green slopes to an Olympic downhill run.

Snow and alpine slopes in all shapes and sizes suitable for all levels of proficiency.

Lillehammer Ski Resort: Purchasing a ski pass at Kvitfjell allows you access to all of the other ski destinations covered by the Lillehammer Ski Resorts.
